### Cancellations and Refunds

Once the course has begun no refunds are given for cancellation of enrollment. Tuition must be received at least seven(7) days prior to the beginning of the training. If tuition has been paid and a student needs to cancel, the school must receive a letter in writing notifying this need at least five(5) days prior to the start date to receive a refund. A full refund will be issued minus a \$100 administrative fee. If a student is paying within the guidelines of a contract and misses a weekend the contract continues and classes can be made up on a future Immersion weekend. The contract cannot be suspended or put on hold. Payment will continue to be received until tuition is paid in full. In the event of an emergency during the training, a student will be allowed the opportunity to "make up" the missed dates at a future training session. If the student would like to "make up" hours prior to the following training to receive certification they may do so in private at NYC's hourly rate(\$120 per hour). This policy is in place to ensure continuity of development

of the individual. This training is demanding and intensive so it is imperative that once a commitment has been made to begin training the student follows through with this decision.

## Agreement is Binding

This agreement will be binding only when it has been fully completed, signed and dated by the student and an authorized representative of the school prior to the time the instruction begins.

## Changes in the Agreement

Any changes in the agreement will not be binding on either the student or the school unless changes are acknowledged in writing by an authorized representative of the school and by the student or the student's parent or guardian if he/she is a minor.

## Effective Date of Acceptance

I certify that I have read and understand the cancellation and refund policy; I have received a copy of the school brochure; and I am entitled to an exact copy of this Enrollment Agreement and any other papers I sign. I hereby agree to abide by the conditions set forth herein.

## Discontinued Programs

If the school discontinues instruction in any program after the students enter training, including circumstances where the school changes its location, students must be notified in writing of such events and are entitled to a pro-rata refund of all tuition and fees paid unless comparable training is arranged for by the school and agreed upon, in writing, by the student.

A written request for such a refund must be made within 90 days from the date the program was discontinued or relocated and the refund must be paid within 30 days after receipt of such a request.

## Termination by the School

A student who fails to maintain satisfactory progress, violates safety regulations, interferes with other students' work, is disruptive, obscene, under the influence of alcohol or drugs, violates the intentions of the yamas and niyamas, or does not make timely tuition payments, is subject to immediate termination.

## Cancellation of Classes

The school reserves the right to cancel a starting class if the number of students enrolling is insufficient. Such a cancellation will be considered a rejection by the school and will entitle the student to a full refund of all money paid.

## Notice to Buyer
